

# 3 - SHAPES

A Sorting Activity

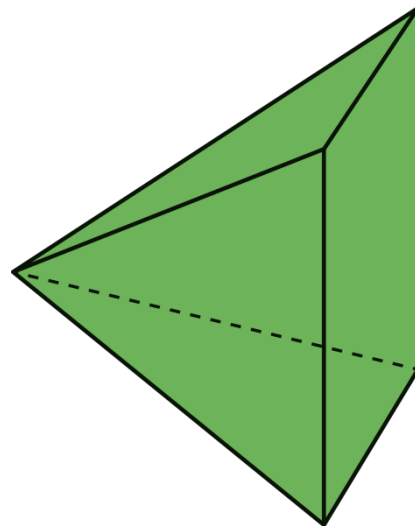

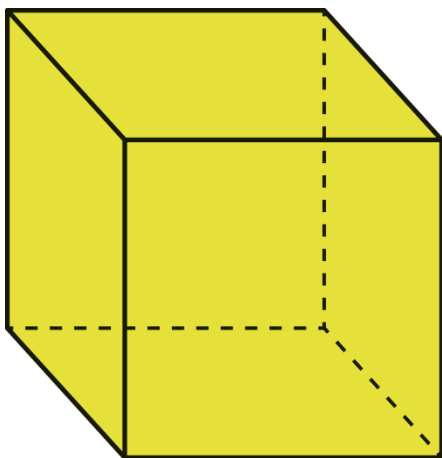

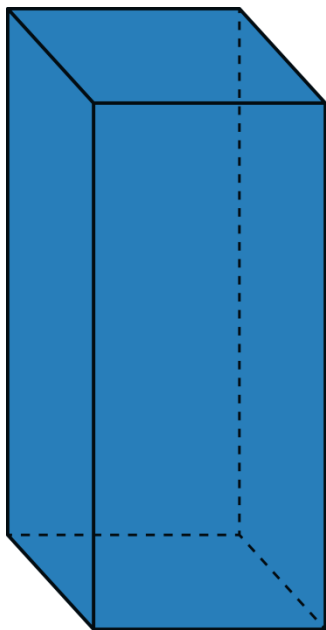

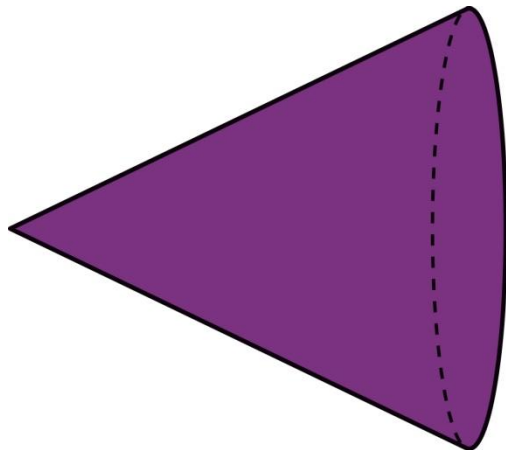

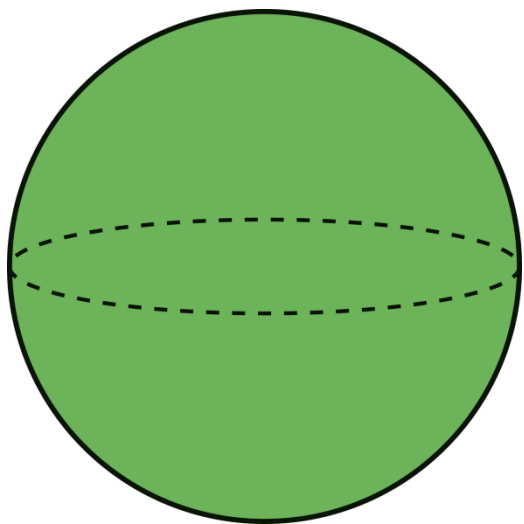

Alessia Albanese

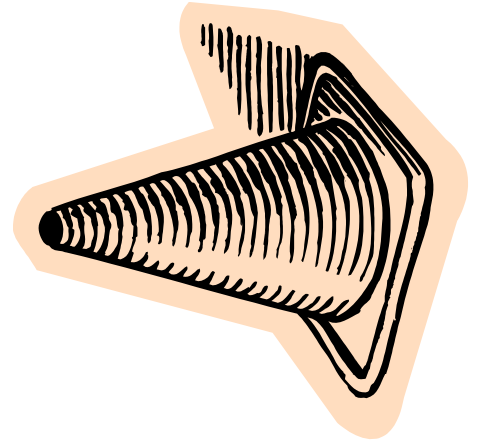

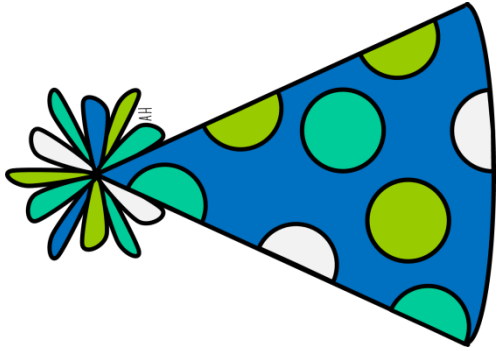

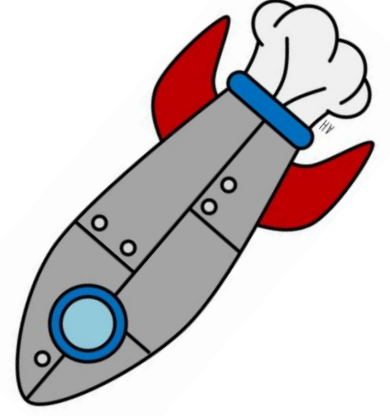

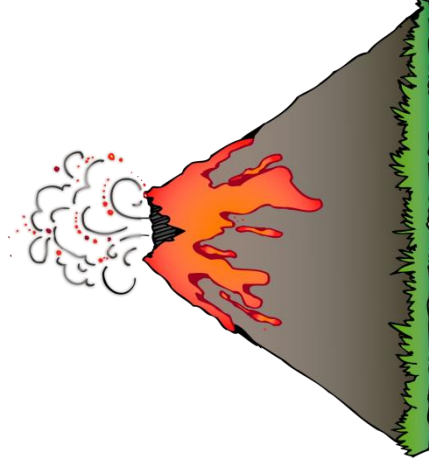

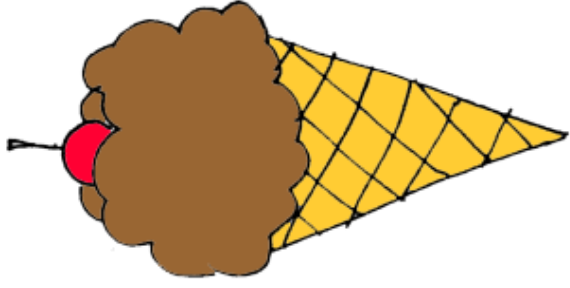

[www.mrsalbanesesclass.blogspot.com](http://www.mrsalbanesesclass.blogspot.com)

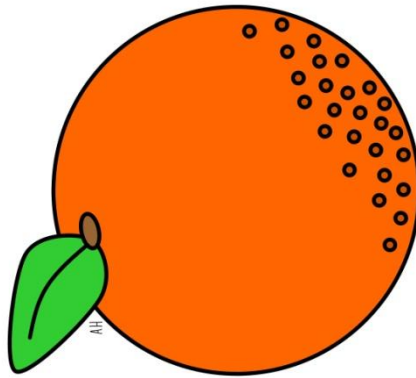

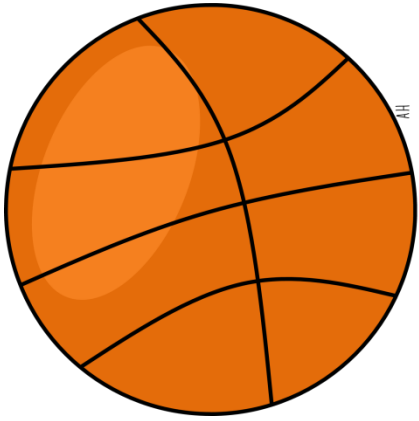

Learning about 3-Dimensional (3-D) shapes is so much fun!

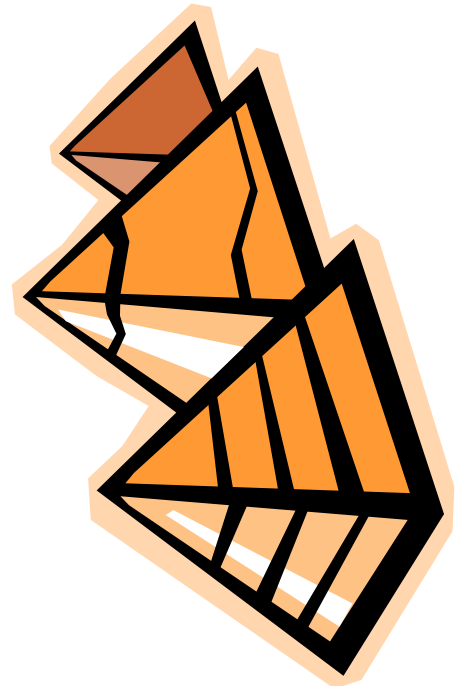

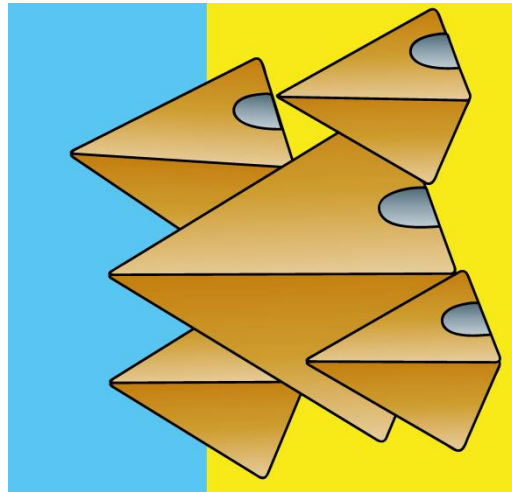

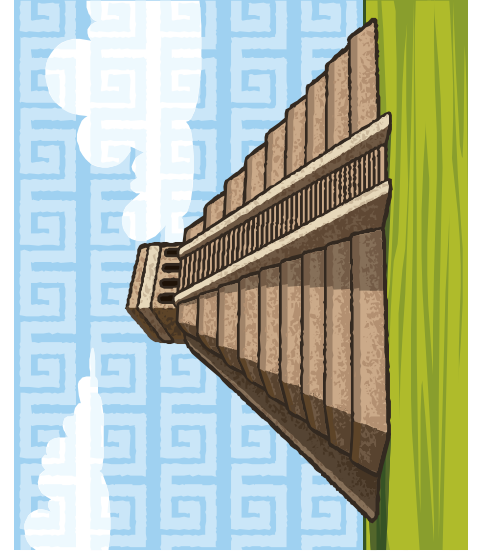

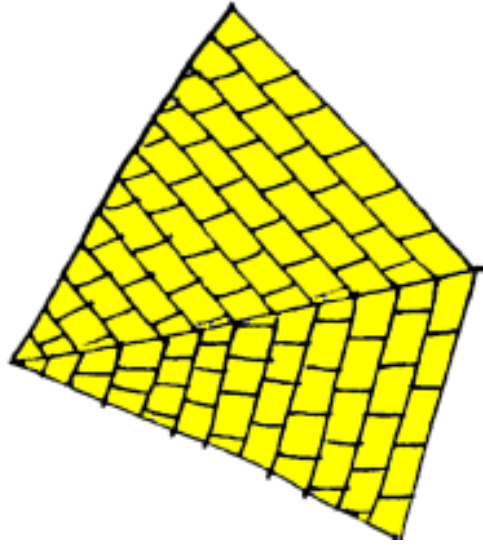

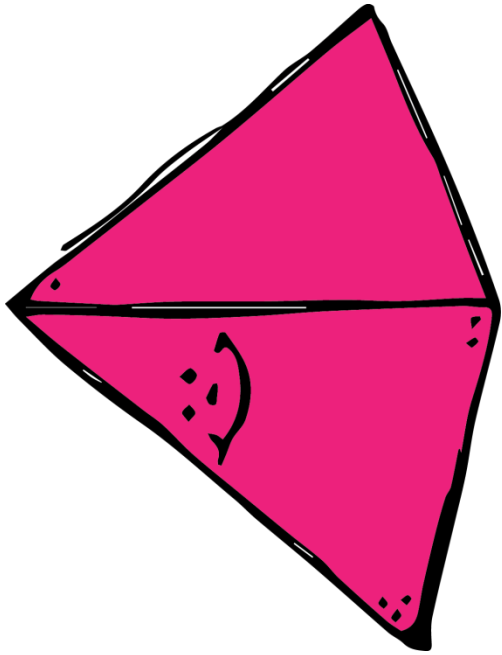

I have included six 3-Dimensional shapes in this activity: cone, cube, cylinder, pyramid, rectangular prism and sphere.

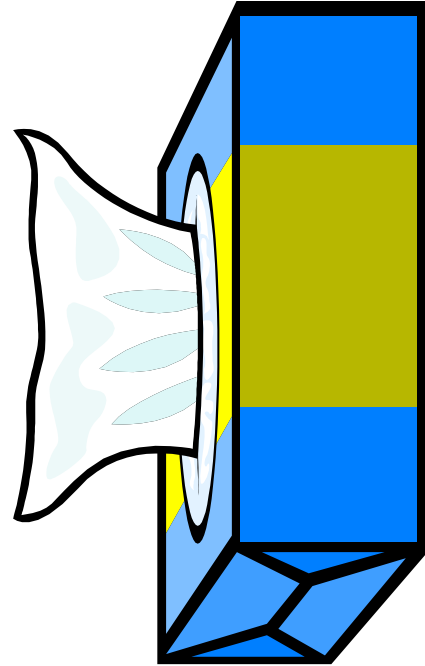

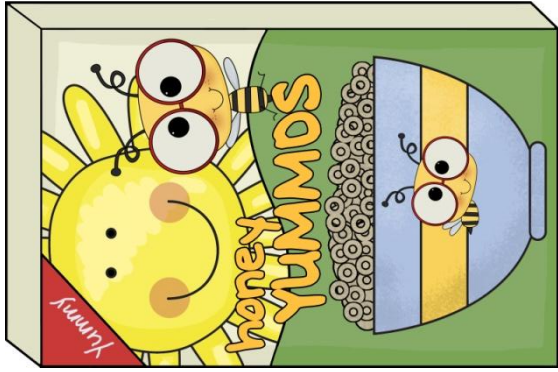

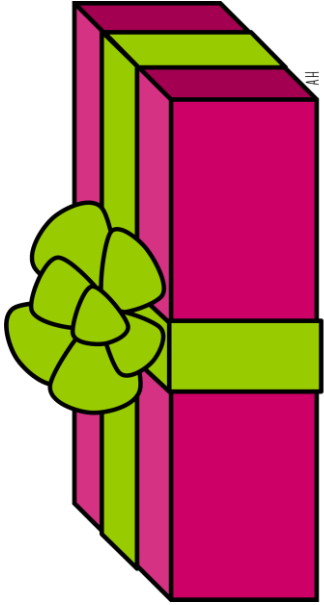

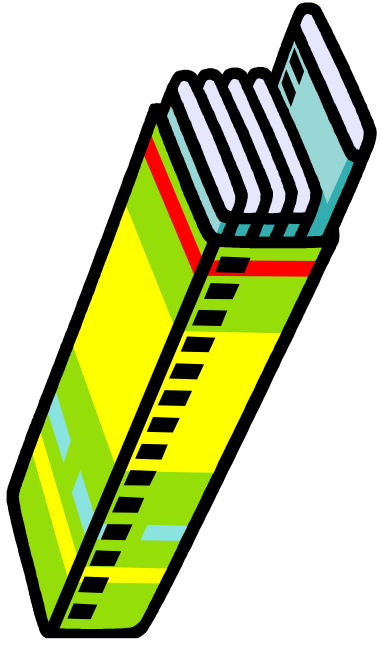

You can use these cards to sort the pictures according to their shape. They also fit a standard pocket chart for a quick and easy centre activity.

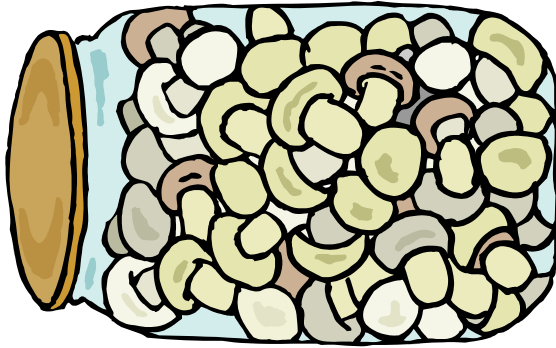

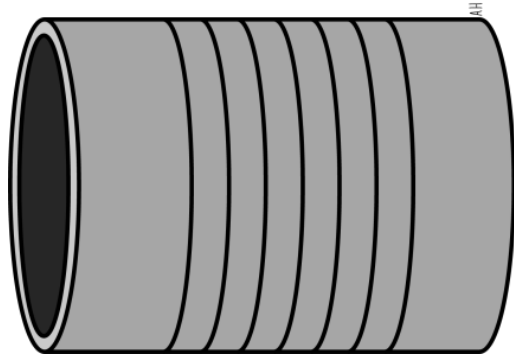

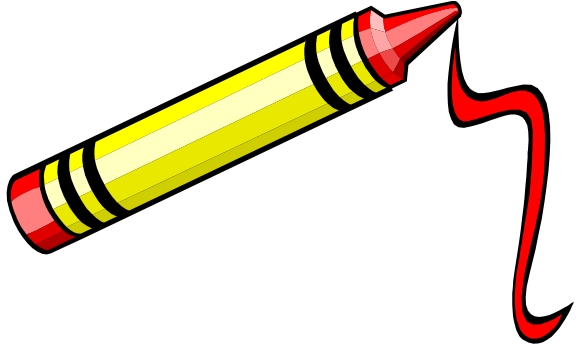

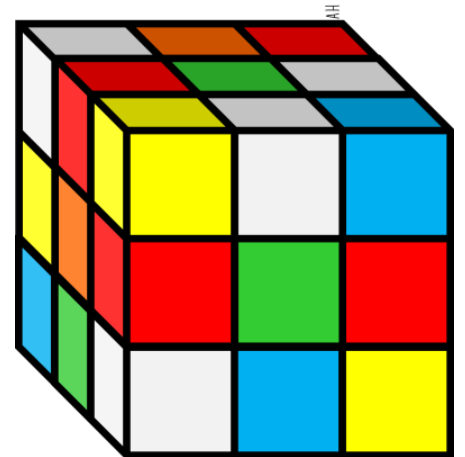

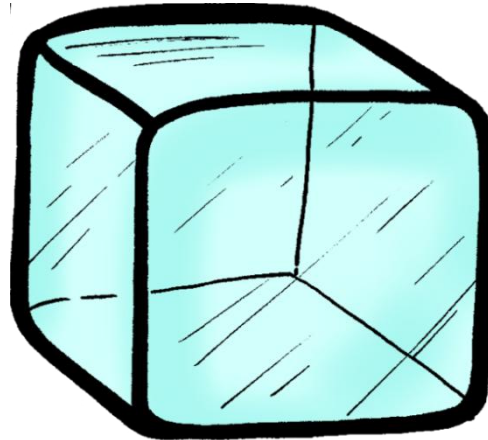

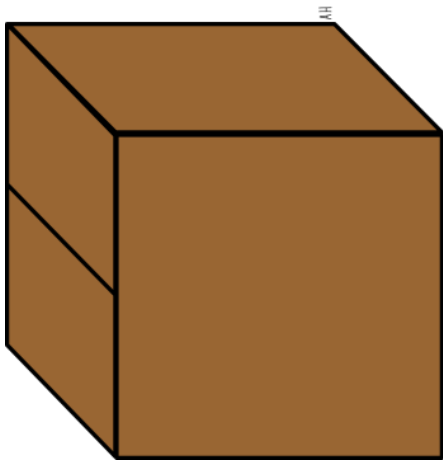

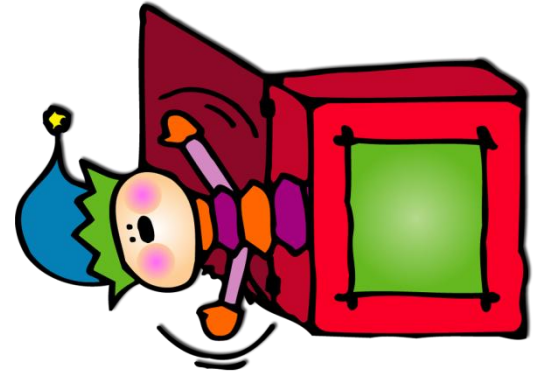

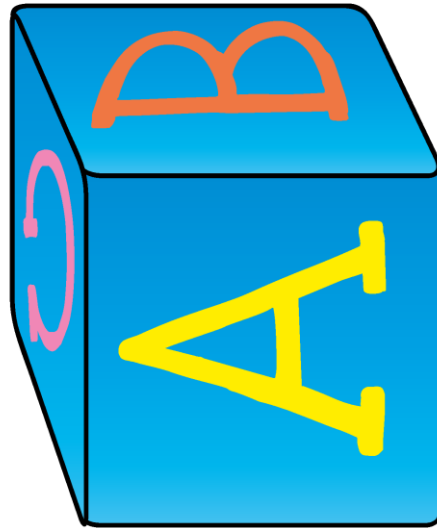

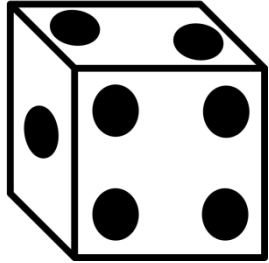

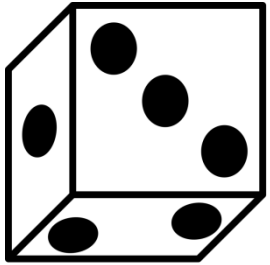

# Thank you

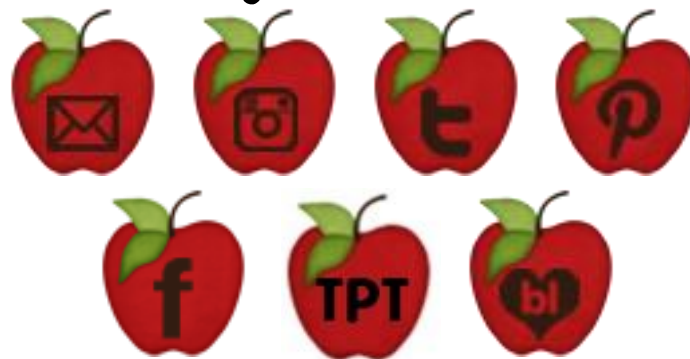

Thank you for downloading this product! I hope you (and your students of course!) love everything included.

If you have any questions or see an error please e-mail me at [kindergartenteacher@rogers.com](mailto:kindergartenteacher@rogers.com)
